Students show off their artwork skills

9:00am Thursday 27th June 2013 in News

Hundreds of pupils have proudly showed their artwork to friends and family at Bradford Council's Summer Art Exhibition.

The event was hosted by the Council's Music & Arts Service and attended by 320 young people and their families at Future House.

As well as artwork on the walls of Future House there was also a display of work provided by adults who attended a Family Learning Achievement Celebration event last October.

A DVD shot by pupils at Home Farm Primary School which celebrated artist Paul Cezanne was also screened and there was Indian dancing by pupils from Atlas Primary School.

A celebration and prize-giving ceremony was also held with prizes kindly donated by local businesses.

The overall winner for artwork was Imtiaz Gill, a pupil at Peel Park Primary School, Bradford.

His winning picture was called Forest Wonder and he received his prize from Jean Walker, leader of Bradford Older People's Alliance.
