BINGLEY

## Instrument Rental

The rental period is a minimum of 4 months. You may carry on renting after this initial period, just keep hold of the instrument and ensure the standing order continues to pay the monthly rental charge until the instrument is returned. You may stop renting at any time after the minimum 4 months by returning the instrument directly to Windstruments.

Before an instrument is supplied we require completed paperwork and payment for the first month plus any accessories (e.g. music books).

At the time of processing we will call you to collect the first payment by credit/debit card or you may call into Windstruments and pay by cash. Subsequent payments to be made by standing order directly to our bank each month, the date of the first standing order will be 1 month after the rental start date.

The instrument can either be collected from Windstruments or delivered to the school in time for the first lesson. If the first lesson has passed, then delivery will be made on the first delivery date available after the completed paperwork and payment have been received.

Instruments can be exchanged for a different size (e.g.  $\frac{1}{2}$  size violin for a  $\frac{3}{4}$  size violin) at any time, this can be done by contacting Windstruments, and visiting the shop in Crossflatts, Bingley.

As the instrument is your responsibility whilst on hire, we recommend that you insure it. If you require any help with this please call the office on 01274 510050.
